

Former Prosecutor Awarded \$10,000 In Dispute with County

Former Crawford County Prosecuting Attorney Alton Davis will be awarded about \$10,000 in back pay and other costs after Circuit Court Judge Charles Forster ruled in favor of his case against the county board of commissioners.

The judge ruled salary for the assistant prosecuting attorney was improperly withheld by the county during 1977 and 1980. In 1977, Davis was the assistant prosecutor, and the board, without legal authority, reduced his salary from \$5,000 to \$2,500. In 1980, Davis was Prosecuting Attorney and he appointed Richard McNally as assistant prosecutor. The board of commissioners refused to fund the position of assistant prosecutor and Davis paid McNally's salary, \$5,350, out of his own pocket.

The court ruling calls for the county to reimburse Davis the \$2,500 for 1977, \$5,350 for 1980, about \$1,000 for court costs, and about \$1,000 for interest at 12 percent for the money improperly withheld.

County Building Receives Free Dirt For Additional Parking Space

Fifteen truck loads of dirt piled around the county courthouse will be leveled to make additional parking space. The county had the dirt dumped for free as contractors working on Grayling city streets needed a place to haul extra dirt.

The additional parking area will be located in about the same places that have been plowed during winter for parking. Crawford County Commissioner Larry Mattis said once the dirt is leveled the area can be used for parking in the warm months as well as during winter.

"We need the additional parking space," Mattis said. "The parking is ridiculous around here - especially on Wednesday."

The new parking area will be dirt only with possibly some gravel added later. There will be no paving involved in the expansion.

Off-Campus Classes Boost Enrollment; Louise Turner Named New Trustee

Fall enrollment at Kirtland Community College fell slightly this year, but good turnout at Kirtland's off-campus classes at Cadillac, Grayling, and other communities helped offset the small decline.

Enrollment at the main campus east of Roscommon was 926 this fall compared to 988 students last fall. The off-campus classes have already attracted 356 students and school administrators expect about 280 more students to sign up this fall.

Louise Turner, of West Branch, was named by the board of trustees at their regular September meeting to fill a vacancy on the board. She replaces Jim Heim, of West Branch, who moved out of the school's district.

Turner will fill the position until the next election in June, 1982. She is the second woman to serve on the board. Suzanne McClellan, a current board member, became the first woman on the board in 1977. Turner recently retired after more than 25 years of teaching at West Branch schools.

Beaver Creek Twp. Residents Upset Over New Clean-Up Ordinances

Twenty three Beaver Creek Township residents - upset about new clean-up ordinances passed in July - attended the regular township board meeting Monday, September 14, to air their complaints.

Many of the residents said the ordinances are unfair and some said they are illegal. The two new ordinances call for the clean-up of junk and dilapidated buildings on private property. The township board said the safety of children in the township was one reason they passed the new ordinances.

Township residents complained at the meeting that it was their property and they ought to be able to leave it the way they want to.

Beaver Creek Township Clerk Florence Nelson said most of the meeting was spent discussing the two ordinances.

First Travelogue To Feature "New England"

The 9th Annual Travel and Adventure Series for the community of Grayling and Crawford County will get underway on Thursday evening, September 24 with an exciting, full-color documentary of the New England States. "Portraits of New England", featuring nationally recognized lecturer-photographer Robert Ditta, will be presented in the Grayling High School Auditorium at 7:30 p.m.

Maine, New Hampshire, Vermont, Massachusetts, Connecticut and Rhode Island are the states that make up New England, and you will see all that the area has to offer at Thursday's travelogue. There is a wealth of history and beauty to be discovered in this breath-taking motion picture, narrated in person by the photographer.

Through the camera lens of Bob Ditta you will meet the people of New England, learn about their trades such as lobster fishing and the fish packing industry. As a matter of fact, you will witness first hand, the world's fastest sardine packer. You will also witness New Englanders at play at their favorite sport, skiing, and the skiing couldn't be better than on Mt. Washington and Mt. Snow.

And the scenic wonders which you will visit. Such famous places as Quoddy Head Light, Sturbridge Village and Cape Cod National Seashore are part of the agenda, and you will explore every corner.

Doors at Grayling High School will open at 6:45 and the travelogue will begin at 7:30. Tickets will be available at the door, both the single admission tickets and the money saving Passports to Adventure.

Phone Booth, Tools Stolen in County

Unless it was Clark Kent changing into his Superman costume, the person who last used a phone booth at Camp Grayling is in trouble.

The phone booth, valued at \$175, was stolen from outside a camp building last week and recovered at the Camp Grayling campground. The phone was ripped out of the booth and the Crawford County Sheriff Department is asking anyone with information

about the theft contact the department.

Tools valued between \$1,500 and \$2,000 were reported stolen from a storage trailer in Frederic Township used by Holliday Sand and Gravel, of Houghton Lake.

The tools, taken between September 12 and September 15, may have been removed by persons using a dual-rear wheel vehicle. Anyone with information

St. Mary's Parish Celebrates One Hundred Years Here

On the weekend of September 26-27th, St. Mary's Parish will celebrate one hundred years of the Catholic faith in Grayling.

The celebration will include an Open House on Saturday, September 26th, from noon to 2:30 p.m. In the evening there will be a dance at the St. Mary's Family Center from 9 p.m. to 1 a.m., with music by "The Varieties" from Gaylord. Both events are open to the public.

On Sunday, September 27th, there will be a special Mass of Thanksgiving at 4 p.m., followed by a dinner in the Family Center and a presentation of the parish history. Many of the former pastors who served at St. Mary's are expected to return for this centennial celebration.

The history of St. Mary's Parish follows closely the history of the lumbering industry and the settling of northern Michigan. Its recorded life dates back to the year 1881. A noted Jesuit missionary, Father Francis X. Shulak, included Grayling and Crawford County in his missionary tours of the lumbering camps and villages. With St. Mary's, Bay City as his base of operations, he continued to tend the mission in Grayling until September 15, 1887. In 1885, under his direction, St. Mary's Church was erected.

From 1887 to 1888, Father Aloysius Weibeler, pastor of St. Mary's, Cheboygan, took care of St. Mary's, Grayling. It was during this period that

Bishop Richter dedicated St. Mary's in Grayling, and on July 1, 1891, administered the Sacrament of Confirmation for the first time.

St. Mary's was formally established as a parish on September 8, 1908, and Father John Riess was named as the first pastor. Thus it was no longer a mission church, but attached to it as missions and stations were Roscommon, Lewiston, Frederic, Deward, and Lovells.

The activity of Father Riess was not confined to his

G.O.P. Family Picnic Sept. 27

The second annual Crawford County Republican Family Picnic will be this Sunday, Sept. 27 from 1 to 4 p.m. at the Camp Grayling Officers' Club. County Chairman Art Thayer announced Monday. Arrangements are being handled by the chairman and vice-chairman Sharon Huss.

John Haggard of Charlevoix, candidate for the 37th state senate district, as well as several local county and township officers, will be there. Here is an opportunity to talk to these people about all levels of government and have an enjoyable social afternoon at the same time.

Hot Dogs and beverages for adults and children will be available at no cost. Admission to the picnic is \$5 for one adult, \$7.50 for a couple, \$1 for a child. Maximum family plan cost is \$10. Any interested citizen is welcome to attend.

Other candidates for state and national offices have been invited but as of Monday only Haggard had confirmed attendance. The local committee hopes this will be the kick-off to a very active year leading up to the 1982 election for Governor, U.S. Senator, Congressman, State Senator and Representative and County Commissioners.

parish. In August of 1910, the Grayling Mercy Hospital building was started under the management of Father Riess as president and manager; Dr. S.N. Insley as secretary; Marius Hanson as treasurer, and Rasmus Hanson as director.

Father Ernest J. Walters succeeded Father Riess, and was in turn followed by Father Anthony Bosler in 1921. Father Joseph Culligan was pastor from 1924 to 1935. It was during these years that the history of St. Mary's followed the course of changes that were taking place all throughout northern Michigan.

The center of the lumbering industry shifted and with it changes in population. This necessitated the closing of St. Leo's Church in Frederic in 1930. In 1942, Father Francis Branigan was named pastor of St. Mary's, Grayling and St. Michael's, Roscommon. In 1946, St. Michael's Parish, Roscommon was separated from Grayling, and became a full-fledged parish with two missions of its own.

Father John Breitenstein was appointed pastor of St. Mary's in 1948. He embarked on a project to build a new church and school building. On Christmas of 1951, Midnight Mass was offered in the church for the first time, and St. Mary's School opened.

Outside Funding Salvaging Some School Programs

By Jon Thompson

Alternative funding for football, girls basketball, cheerleading, and vocational education for five students was formally approved by the Crawford County School Board of Education at a special meeting held Monday, September 21.

Additionally, funds may be raised by student and community groups to reinstate several extra-curricular activities, such as plays, musicals, and outdoor education, and one or two advanced classes. School administrators are also working on plans to open school libraries part-time with the help of volunteers.

The Grayling Youth Booster Club donated the money for the fall sport programs. Larkin Baker, president of the Booster Club, said he expected the club to pick up the tab for the entire 81-82 sport program. The Booster Club has already committed \$20,000 toward the sports program but a new revised total for the entire program is set at \$29,000.

Seventy five boys are in the varsity and junior varsity football program, 29 girls are in the varsity and junior varsity basketball program, 12 girls are in the varsity and junior varsity cheerleading program, and

approximately 75 students are in middle school girls basketball and cheerleading.

The five students in vocational education received funding from three sources. Three businesses donated money to help fund these students working in co-op programs, one student attending cosmetology classes at Kirtland received a scholarship from the Business and Professional Women's Association, and another cosmetology student at Kirtland paid more than \$300 herself to take the classes.

In other school news, the Concerned Citizens of Crawford County passed a resolution at their meeting Tuesday, September 15, to acc-

From Our Corner ...

This week's column is going to be a bumper for the ol' fella...there just doesn't seem like anything has happened, at least that we know of to write about...

We did take this weekend off and spent Saturday and Sunday night with T.J., Stef and folks in Traverse City for a little R & R...we had not been to Traverse since Mothers' Day and it was nice just being away...Sunday we went to Boyne City to see my sister Jen who will be leaving for Missouri in a week...

Like Irv McIsaac said at the roast, there are week's we should just forget about writing a column, it doesn't make any sense...and right now I agree with him...speaking of Irv, we were talking to him last week and he is all gung-ho in the project of the Booster Club helping out the athletic department at the school...the way he was talking I think has just about got everyone on main street and elsewhere signed up to buy one ticket a week to raise money for the project...

We were thinking the other day...it just wouldn't be fall without football...even though our weather isn't cooperating, September should be nice and warm, and October starts these cold nights and warm days...

Any way, the Vikings are in pads and helmets, and are showing potential for a winning season...following a win over the Harrison Hornets, they dropped a heart breaker to the Roscommon Bucks in double overtime, 14-12...

An idle thought...we forgot to mention that Stef has made one more accomplishment...she can now blow bubbles with bubble gum...first thing she showed me when we arrived...

The city's street program seems to be coming along on schedule despite the rain we have had...when all this work started, we never realized that all the black dirt had to be removed and then a gravel base put in...seems like every where one looks there are big mounds of black dirt...we understand that the dirt at the county building is going to be used to level off the area for a parking lot to be installed later when funds are available and will relieve the parking jam at the present parking lot...

We started this turkey Monday morning and ran into a snag until about 2:30 in the afternoon when in came Irv...besides his jokes that he always has an abundance of...he reminded us he was out promoting the save the athletic program...if you happened to miss it, on page one Irv is shown with a Brazilian family that while visiting the McNamaras he sold them memberships to the Booster Club along with the summer Booster jackets...when Irv left, he said, see you next Monday, that must be the day he collects the buck off from us...

A wee bit of nostalgia this week...following our group's purchase of the Avalanche in 1967 we have had the paper printed in Mt. Pleasant...we have ran into many press men in the past and all of them have been courteous and have done a good job...we will miss the likes of Gary Ray, present head haunchau, Jerry McWilliams and Hillbilly Brown now with the Alma Buyers Guide, to name just a few...economics and gas mileage forced our change...starting with the October first issue, the Avalanche will be printed at Central Printing in Gaylord...we will miss Mt. Pleasant, but not the drive...LeRoy and Jon will have to find new restaurants for breakfast in Gaylord, and they will have to sacrifice the tour of campus as they have done at CMU...

Time to call a halt to this turkey for tonight...so we will say good night to T.J., Stef and Amber and to all who have stayed this long, have a nice weekend, it is beginning to bring on those red undies and fur hats...and dang it all, tis to early...

Seven rattlesnakes were killed in one week recently by enrollees of CCC camp AuSable, northeast of Grayling. The largest had eight rattles, the smallest 4.

A live snapping turtle, four inches in length, was found by Frank Snyder of Elberta in the stomach of a four-pound black bass which he caught in Upper Herring Lake, Benzie County. Snyder did not discover the turtle until he had taken his catch home and dressed it out. It

was placed on display in a Frankfort hardware store.

Sixteen girls were guests of Barbara Ann Borchers Monday afternoon when she celebrated her 8th birthday anniversary. It being a lovely afternoon out-of-door games were played and Guinivere Trudeau and Gloria Kinnee won prizes in a couple of contests. The lunch was carried out in pink and each little guest received a favor.

Mrs. Gordon Pond was guest of honor at a linen shower, given on Friday evening by Mrs. Lawrence Trudeau at her home.

By way of celebrating the seventh birthday anniversary of her son Junior, Mrs. Edwin Carlson entertained eleven of his young friends Sat. evening. Games were played after which a lovely lunch was served. The little guest of honor was given many lovely gifts. Those who were present were Bobby and Dick Gildner, Bobby and Pat Tiffin, Harold Barber, Delbert and Eugene Case, Bobby and Chapel and Alvin, Maxine and Lorraine Kolka.

The Bible Speaks

From Calvary Baptist Church

Religious Man Stands a Hypocrite Romans 2:24-29

Being religious will do no more to save a man than being moral or even being an immoral pagan. A religious man who does not believe every book, chapter and verse in the traditional Bible of the churches, or who does not believe that Jesus Christ is God, or is not trusting the death, burial and resurrection of Jesus Christ for his salvation is not a Christian. The man who does not practice his profession is a hypocrite. By his false practice he dishonors God, (Verse 23) and actually blasphemes the name of God. "For the name of God is blasphemed among the Gentiles through you, as it is written." Verse 24.

A religious man's religious ritual is only meaningful when he is consistent in his daily life. Baptism apart from faith in and obedience to the Lord Jesus Christ is meaningless. Church membership and attendance apart from personal faith in Jesus Christ leaves a man still lost in his sins. "For circumcision verily profiteth, if thou keep the law: but if thou be a breaker of the law, thy

circumcision is made uncircumcision." Verse 25.

A non-religious person may reflect more christian character by living the golden rule than a religious hypocrite. Although such good conduct will not save you, it does give the community an image of you as being a Christian. "Therefore if the uncircumcision keep the righteousness of the law, shall not his uncircumcision be counted for circumcision?" Verse 26.

In fact, the righteous life of a non-Christian will automatically judge the hypocrisy of the religious hypocrite. "And shall not uncircumcision which is by nature, if it fulfill the law, judge thee, who by the letter and circumcision dost transgress the law?" Verse 27.

The Bible makes it plain that having a religious name and going through with religious rituals does not make one a child of God. "For he is not a Jew, which is one outwardly; neither is that circumcision, which is outward in the flesh."

The Bible makes it plain that being a Christian is more than professing a name, it is being changed by Jesus Christ inwardly through the new spiritual birth. It is receiving Jesus Christ into your heart by faith. (John 3:5-7). "But he is a Jew, which is one inwardly; and circumcision is that of the heart, in the spirit, and not in the letter: whose praise is not of men, but of God." Romans 2:29. Is your faith based upon God's inward work in your heart, or just outward ritual and appearance? (adv.)

Nurses to Meet

There will be a meeting of Northern Michigan District Nurses on Thursday, September 24th. They will meet at 6:00 p.m. for dinner at Fred's Restaurant in Roscommon; then meeting will move to Stearns Funeral Home located on 143 Lake St., Roscommon, at 7:30 where information and discussion of Funerals and Counseling of the bereaved will be provided by Michael Axford, Funeral Director.

"Our claims service is fast, fair and nationwide."

"We represent Auto-Owners because of the fast, efficient service they give our customers."

"A lot of people are surprised to find our claims people bring their checkbooks with them...so they can pay a claim right on the spot."

Auto-Owners Insurance is for auto owners, too.

Ground Swirling

Judging the danger of a tornado by the appearance of a funnel cloud can be deadly. Research by two meteorologists suggests that there is often a violent, swirling vortex at ground level well before the funnel cloud touches down.

SUPER TRUCK FOR AREA FOREST FIRES—National Guard officials at Camp Grayling are delighted with the arrival of Brush 1 and Brush 2, two, 5-ton six-wheel-drive armor plated fire trucks for fighting forest and brush fires. Designed and built especially for the Guard by the DNR's Roscommon Equipment Center, they are prototypes for a new super breed of fire trucks. According to Dan Schrock, a guard spokesman, the trucks can plow a fire break trench while at the same time it is spraying water on both sides of the truck. The new vehicles also carry their own 1,500 gallon water supply compared to 400 gallon tanks on older trucks. (Photo by Frank Michels, Courtesy of Bay City Times)

District Court

The following persons appeared before District Court Judge Francis L. Walsh on Tuesday, September 15:

Weldon Wakeley, 45, Barton Wakeley, 23, both from Grayling, Buddy Taylor, 25, and Donald Vollmer, 23, both from Frederic, demanded preliminary examinations to charges of resisting, opposing, beating, or wounding an officer. They were released on \$1,000 cash security bonds.

John Bindschatel, 19, of Grayling, had a charge of resisting, opposing, beating, or wounding an officer dismissed on motion of Prosecutor's Office. The defendant is currently serving time in prison.

Mark Horton, 23, Donald Steenhagen, 25, and Edward Peck, 24, all of Grayling, plead guilty to charges of receiving and concealing stolen property under \$100. They were fined \$105 or 10 days, and Peck was placed on probation for six months.

Jimmie Henson, 17, of Brighton, plead guilty to a charge of simple larceny. He was fined five days in jail plus \$105 or 10 additional days.

Maurice Alma, Jr., 18, of Frederic, plead guilty to a charge of creating a disturbance in a public place and was fined \$65 or 7 days. Philip Marzion, 33, of Grayling, demanded preliminary examination to a charge of D.U.I.L. - third offense within 10 years. He was released on \$300 cash security bond.

Timothy Raybould, 22, of Grayling, plead guilty to a charge of D.U.I.L. and was fined \$305 or 30 days and his license is suspended for 90 days except for driving to and from in course of employment.

Joseph Kaus, 47, of Trenton, plead guilty to a charge of impaired driving and was fined \$255 or 14 days.

Edward Peck, 24, of Grayling, plead guilty to a charge of indecent language and was fined \$65 or 7 days.

Hospital Auxiliary

The Grayling Mercy Hospital Auxiliary board will meet Oct. 1, 1981 at 3:30 p.m. in the North Wing.

Audubon's to Meet at KCC

The first meeting of the Kirtland Audubon Chapter will be Monday, September 28, at 7:30 p.m., in Room 1 of the Academic Building at Kirtland Community College.

Our program for the evening will be a Naturalist's Primer. Please bring some of your favorite slides of nature memorabilia.

There will also be a discussion on future programs and field trips and the possibility of rotating meeting places.

All community members are invited. If you have any questions about the chapter, please call Lois Brown at 348-5768.

To Hold Auditions at Kirtland

Auditions for Kirtland's production of "You're a Good Man, Charlie Brown" will be held on September 24, and September 25, at 7:00 p.m. in the Kirtland Community College Auditorium.

The show is based on the famous comic strip by Charles Schulz and involves singing, dancing and acting by all cast members. An auditionee need not bring prepared material, but can if they desire. If audition dates do not fit your schedule, call Kevin Wurz at 275-5121 or 275-8890 for an appointment. These auditions are open to all community members

La Leche League

"Baby Arrives; The Family and the Breastfed Baby," will be the topic for discussion at the October meeting of Roscommon La Leche League. The meeting will be held on Thursday, October 1 at 7:30 p.m. at 111 Corral Drive, Houghton Lake. Expectant mothers are encouraged to attend the series of meetings before the baby arrives. Nursing babies are always welcome. For further information call Carolyn Crist at 275-8431.

The New First Savings All Savers
Certificate. Just In Time for Times
Like These.

Beginning Oct. 1, First Savings will offer a revolutionary new savings certificate which will yield a higher rate of return plus tax free interest.

Here are some questions and answers that should help you better understand this new savings certificate.

Q. WHAT ARE THE MOST IMPORTANT FEATURES OF THE NEW ALL SAVERS CERTIFICATE?

A. It's a one year certificate that pays 70% of the yield on U.S. Treasury Bills and can be purchased in amounts of \$500 or more. The saver can earn \$1,000 interest on a single tax return and \$2,000 on a joint tax return and pay no income tax on that interest income.

Q. WHAT ARE THE ADVANTAGES OF THE ALL SAVERS CERTIFICATE OVER A MONEY MARKET MUTUAL FUND?

A. First, the tax free feature. Second, the fact that the rate is guaranteed for a year. (Money Market Funds rates fluctuate daily. If interest rates go down, money market funds will drop sharply.) Third, All Savers Certificates are insured to \$100,000 by the FSLIC. Money Market Mutual Funds aren't. In addition, First Savings All Savers Certificates can be purchased for \$500, less than it takes to get into most Money Market Funds.

Q. HOW DOES THE TAX FREE FEATURE WORK?

A. During the time the All Savers Certificate is available from October 1, 1981 through December 31, 1982, you can earn \$1,000 tax free interest on a single return and \$2,000 on a joint return regardless of which year or years you take the exclusion or the number of certificates you have. It is a one-time only exclusion. Any interest earned above these figures is taxable.

Q. CAN FUNDS CURRENTLY INVESTED IN A 6 MONTH MONEY MARKET CERTIFICATE BE TRANSFERRED INTO THE NEW ALL SAVERS CERTIFICATE?

A. Yes. And the interest penalty usually imposed for early withdrawal is waived so you will experience no loss of earnings by making the transfer.

Q. WHAT IS THE MAIN ATTRACTION OF THE TAX FREE FEATURE OF THE ASC?

A. For many savers in the middle income tax brackets and above the ASC's tax free yield will be higher than the after tax return available in the market place.

Q. WHAT ABOUT SAVERS WHO AREN'T IN HIGH TAX BRACKETS?

A. They profit, too, because the ASC provides a good one year return for a low minimum deposit.

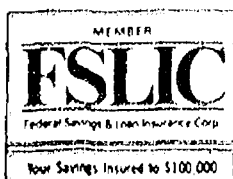

Q. O.K. BUT THERE HAS TO BE A CATCH SOMEWHERE* - WHAT IS IT?

A. It's not really a catch, but if any portion of the certificate is withdrawn early, you lose the tax exemption on all the interest earned so it is important to leave your ASC funds on deposit for the full term of the certificate.

There is also a penalty of three months loss of interest for early withdrawal on one year certificates.

ALL SAVERS CERTIFICATES WILL BE AVAILABLE
FROM OCT. 1, 1981 THROUGH DEC. 31, 1982.

Milliken Urges Labor Support To Economic Development

Warren M. Hoyt, Executive Director, MPA

With an eye toward the fall legislative session where the priority will be an economic development, Governor William G. Milliken knows he will need the support of organized labor to accomplish his goals.

The governor has always been able to work well with the labor lobby in Lansing and wasted no time in taking his case to labor to enlist their help to tackle economic problems facing the state.

Michigan is in a battle with so-called sun belt states to gain the locating of new or expanding businesses to the state.

Milliken is promoting the state with its unlimited reserve of fresh water - a necessity for industrial concerns - and the state's experienced work force.

Milliken met with delegates of the biennial state AFL-CIO convention recently and told them they may not like many of his proposals to spur economic development in Michigan, but urged them to look at the proposals "as residents of this state who are concerned about our future" and then work together with business and the Legislature to reach solutions.

The governor did not outline the specifics of the program. The program is expected to be unveiled before a joint session of the Legislature when it reconvenes this week.

He did, however, tell the delegates that additional workers compensation and unemployment compensation will be part of that package.

Milliken insisted that Michigan is still a good place to do business and that studies which rate the state poorly for business are flawed.

"We must eliminate the perception among a substantial portion of the business community that it is harder to make a profit in Michigan

than elsewhere. To change this, we must be bold and decisive," he said.

Milliken said there is a strong history in Michigan of business and labor working together to achieve common objectives. He added the programs he would propose to the Legislature would "continue to build on this process and relationship."

"In all candor, I suspect your initial reaction to my proposals will not be totally positive," he told the labor delegates.

Even though major changes to both workers and unemployment compensation were adopted last year, more must be done to reduce the costs, Milliken asserted.

"We must take a cold, hard look at the problem and develop a fair, realistic reforms which will deal with it in a forthright, effective way," Milliken said.

Union members and leaders should take part in developing those solutions to workers and unemployment compensation, he added. "Nothing we can do is more important than to take the steps necessary to assure a growth in employment."

He suggested that before labor reacts to his proposals, that there should be a careful and dispassionate look at Michigan, at its long-range problems and what can be done to assure jobs for future generations.

Both parties in the Legislature and the governor's office have established business interests as the major priority for the fall session.

Besides workers and unemployment compensation, other areas to be addressed include property taxes, the single business tax on business and incentives for tax credits for new jobs created by employers.

THANK YOU

There are not enough words to express the thoughts and thanks we have for all of our friends and relatives, who planned the surprise party for our 25th wedding anniversary, which was Sept. 1, 1981. Also for the gifts, money tree, cards, flowers, banner, food and lovely cake. We understand a special thanks goes to our brother and sister-in-law, Jack and Yvonne for all of the conniving and changing of plans to get us at the scene of "Our" party. It was held at the AuSable Sno-Birds Club in Frederic on September 5th. Again thanks to everyone, we will never forget.

Chris Clover's Corner

By Sue Louchart

Hi! I'm Chris Clover here with news from the Crawford County 4-H Clubs.

Summer is gone and school is in full swing again. Many 4-H Clubs are still moving right along. Others are starting up again after having a summer vacation. New clubs are in the planning and organizing stages. Clubs are always being created as an interest is showed.

Some of the clubs have full memberships with waiting lists like the swimming or you need to own a horse for the Horse Club. Other clubs furnish what you need through the dues you pay or by donations from people in the community.

The Clubs organized for the winter months are as follows: Personal Grooming, Cooking, Swimming, Choir, Rockets, Cake Decorating, Indoor Gardening, Needlecraft, Performing Arts, Leader Dogs, Small Farm Animals, Horses, Trail Bikes, Challenge, Woodworking, Bowling and Physical Fitness.

All the clubs are open to boys and girls of all ages. Clubs are formed for the ages near each other like the Performing Arts has two clubs - one for the young 4-H'ers 8 through 13 and one for the older youth ages 13 and up.

Any handicapper is welcome in the clubs as well as

any T.A.B. (temporary able bodied) member. The 4-H Program is a way for kids and adults to learn by doing and have fun at the same time.

The 4-H projects are learning experiences for the members. Members may choose from more than 150 different project areas or develop their own projects to fit their needs and interests.

The cost of a 4-H project varies from project to project. For example, a youth involved in a foods project might use household supplies and have no other expense. However a 4-H member with a horse project might have to invest hundreds of dollars to purchase and maintain an animal.

The clubs meet at all times depending on when the leaders and members can get together. The Leader Dogs Club meets on Thursday evenings with Mrs. Hatfield, The Kitchen Magicians, a cooking club with Mrs. Nevins will start meeting again on Wednesdays after school Sept. 30th, the Needlecraft Club: Fun with Needles and Hooks will meet on Mondays, kids interested in bowling may call JoAnn Yoder at 348-7053.

If anyone would like to join one or more of the many clubs or start a new club or help with a club call the 4-H Office at 348-5123 and let Ann know. See you!

To Attend Optometry School

William I. Dean of Grayling, will begin the fall term of his first year of professional study at the Illinois College of Optometry. William is the son of Mr. and Mrs. Jon L. Stevens of Grayling.

The Illinois College of Optometry is a four-year professional college. Total full-time enrollment at ICO for the 1981-82 academic year is expected to be 600, with 155 entering the first-year class. Most entering students have bachelor's degrees and all will receive the Doctor of Optometry (O.D.) degree upon graduation.

Founded in 1872, ICO is the profession's oldest and one of its largest educational institutions, with facilities for research and for classroom and clinical instruction. There are now approximately 7,800 ICO alumni.

Before enrolling at the Illinois College of Optometry, William attended Grayling High School, and received a B.S. in Chemistry from Hope College in Holland, Michigan.

Girls Open with Win at Home

J.V.'s 3-0

The Grayling Vikings girls basketball team used their quickness to defeat a taller Kalkaska squad 38-37 in their first home game of the season. The J.V. squad won 50-32 to move their record to 3-0.

Both squads take on the Roscommon Bucks Wednesday at 6:30 at the Grayling High School gym.

Against Kalkaska, the Vikings used a fast break and several steals to break away from the visiting team to go ahead 27-19 at half. Jean Stevens, with 8 steals, and Dianne Lee and Jenny Riker led the way defensively for the Vikings. Stevens also had a game-high of 13 rebounds. Shelly Trenary led the

Viking scorers with 10 points, Lee 7, Stevens 7, Riker 4, Heidi Bendig 4, Lisa LaMotte 4, and Joan Stevens had 2 points.

The Vikings held a 33-23 third quarter lead but the Kalkaska squad came back to narrow the score when the Vikings began substituting with four minutes left in the game.

The win moved Grayling's record to 1-2.

Against Kalkaska, the J.V. squad was led by scoring by Karen Reynolds with 14 and Lisa Solomonson with 14.

In earlier action last week against Roscommon, the varsity squad went down to defeat 45-29 while the J.V. squad won 33-15.

Varsity coach Marilee Cheney said poor shooting hurt her club against Roscommon. Besides having a bad night with outside shots, she said her club made only 3 points out of a possible 22 from the free throw line.

Cheney said except for the shooting her club played well against the taller Roscommon team. She expects the rematch Wednesday night to be closer.

Jean Stevens led the scoring against Roscommon with 10 points, Dianne Lee had 6, Jenny Riker 6, Shelly Trenary 4, Heidi Bendig 2, and Wendy Savallisch added 1. Shelly Trenary had 11 rebounds to lead the Vikings and Lee and Riker had 4 steals apiece.

The J.V.'s were led by Karen Reynolds and Kris Laudenslager with 8 apiece.

In the J.V. season opener against Johannesburg, Michelle Barber was named the player of the game by J.V. coach Lacey Stephan.

"She played an outstanding defensive game," Stephan said. "She held their top scorer to 2 points for the entire game."

Kris Laudenslager led the scoring in the first game with 14 points. Stacey Wolcott had 10 points. Erun Jones helped lead the way defensively with Barber.

All 19 players on the J.V. squad played in the season opener.

Doodles From The Tall Timber

Wendell L. Hoover
Park Interpreter

Within the Hartwick Pines State Park, we take care of four marked foot trails which vary in length from a quarter of a mile long to three miles long. Any path-way requires a certain amount of continual maintenance, such as the removal of a blown-down tree, the filling of a low spot, or the replacement of a rotten marker post. The Park staff expects this and as time allows, apart from taking care of the public, they take care of any problems on the trails that they themselves find in the course of routine patrol or that are reported by trail users.

There are things which happen in the shadow of the Tall Timber for which I have no logical answers. One of those four trails is a very special one, designed and laid out for the visually impaired and blind people who visit the Park. My part in the development of that trail was small; however, the labor and material provided by C.O.O.R. and the Lewiston Lions Club were not so small. The Whispering Pines Parkway, since its dedication in 1975, has been vandalized more than the other three trails put together.

The tally from a recent inspection trip around the trail shows four large-print labels exposed to the weather by the shattering of the protecting plexiglass over them, one large-print label torn off of the podium, and one podium split down the middle destroying the plexiglass and being the stainless steel braille label. Those were the major items and I am sure I will find some minor items to repair or replace. While I am in the process of setting type and printing the five destroyed labels, I will reprint the other fifteen large-print labels. The broken podium will be replaced along with the plexiglass and new large-print labels put in place, but I am sorry to say that I will be doing it again, probably next summer at the latest.

Frankly, the time I spend repairing this damage could be spent finishing the layout of another trail which could be enjoyed by many people, or finishing a nearly completed display for the Interpretive Center, or conducting several guided hikes, or...

Vikings Lose in Double Overtime to Bucks 14-12

ON-SIDE KICK—Roscommon tried an off-side kick late in the fourth quarter but the Vikings covered it. The two clubs battled to a 6-6 tie in regulation and the first overtime period. The Vikings scored first in the second overtime but the Bucks came back to score and win the game 14-12. (Jon Thompson Photo)

DOUBLE OVERTIME—The Vikings tried to punch across a touchdown in the second overtime with a hand-off to Ted Methner (the second back) but were stopped. The Vikings scored through the air on a pass from Terry Norman to Dan Lucksted. (Jon Thompson Photo)

By Jon Thompson

A pass off a fake extra point kick attempt gave the Roscommon Bucks two points and a victory over the Grayling Vikings in a double overtime thriller last Friday night at Grayling.

The Vikings will tangle with the Petoskey Northmen at home this Friday at 7:30 p.m. in their first Michigan Huron Shores Conference clash of the year. Petoskey also played in an overtime game last week, winning 21-20 over Cadillac.

The Bucks touchdown and two-point conversion in the second overtime ruined a diving touchdown catch by

Dan Lucksted in the second overtime and a tough goal-line stand by the Vikings defense in the first overtime.

The Vikings scored first in the game on a 40-yard touchdown pass to Dan Lucksted by quarterback Terry Norman late in the third quarter. Lucksted, split wide, was left uncovered by the Bucks and he outran two defenders to the goal line after hauling in the pass.

The Bucks came back with a scoring drive capped by a 33-yard outside run by sophomore Rob Cantrell. The Vikings shut down the quick back all night except for the touchdown run.

Grayling's two-point conversion attempt after their touchdown was stopped and Roscommon's extra point kick was blocked.

Regulation time ended in a 6-6 tie and the Vikings got the ball first at the ten-yard line with four chances to score.

The Vikings tried four running plays and were stopped short of the goal line. Roscommon took over and moved the ball down to the three yard line on a couple of bursts by Cantrell. On third down, the Bucks pushed to the one yard line - setting up a fourth down and one yard to go to win the ball game.

The Bucks tried the middle of the line but linemen Wayne Metzger and Bob Huether, linebackers Joel Money and Brad Trenary, along with safety Jamie Radebaugh stopped the Buck runner just short of the goal.

"We called a time out and made a quick adjustment just before that play," head coach Bill Klinger said. "Metzger and Huether really dug in. Money and Trenary moved inside a little, and Radebaugh came in a little closer. Radebaugh was the one who met the back."

After the defense held, the Vikings offense got their second wind in the second overtime and scored on the third play. Norman rolled out to his right and fired to Lucksted, who made a diving catch in the corner of the end zone.

The extra-point kick by Brian Yoder went just wide

of the goal post.

The Bucks came right back and scored a pass of their own to the same corner of the end zone. They lined up to kick the extra point but faked it and passed instead. A Viking defensive back touched the ball first but it slipped through his hands and into the arms of a Roscommon receiver.

Despite the loss, Klinger said he liked the new overtime games.

"They're exciting. The strategy is different and the kids like to play in them. It's better than a tie."

He also said his team has nothing to be ashamed about after the narrow defeat.

"Roscommon is a good team. They have a good chance to win the Jack Pine Conference. That game could have went either way."

Ted Methner again led the Viking offense with 116 yards in 22 carries - his second 100 yard game. Norman went 7-11 with two touchdown passes to Lucksted.

Trenary led the defense with 19 assists and 8 solo tackles.

"He played an outstanding game," Klinger said. "He picked up that large number of tackles because Roscommon pounded our middle."

Roger Weatherly had 15 assists and 5 solos and Money, Metzger, Huether, and Radebaugh along with Jack Money and Don Bancroft played strong defense causing three fumbles and one interception.

Grayling gained 133 yards on the ground and 78 in the air. The Bucks had 135 yards rushing and 49 in the air.

Congratulations to Daniel and Debbie Weaver of Maple Forest on the birth of their son Marcus David born September 16, 1981 at Otsego Memorial Hospital in Gaylord. 6 lbs. 7 oz. Grandparents are Mr. and Mrs. Joe Forlini of Bellevue, and Mr. and Mrs. Dohn Weaver of Frederic.

Missionary Conference at the First Baptist Church Sept. 27 thru 30th. Sunday 11 a.m. Morning Service following Potluck Lunch, bring a dish to pass and your own table service. Evening service 7:30 p.m. Following evenings also at 7:30.

Attention boys and girls here's a chance to do a good deed and feel good after. This coming Saturday, Sept. 26, at the Frederic Elementary School Playground there is to be a Bike-A-Thon for "Wheels For Life" 10 a.m. Now if it should rain it will be following Saturday, Oct. 3. This is to help St. Jude Children's Research Hospital, Ride Against Childhood Cancer. Everyone who rides will get a bracelet saying "I'm riding for Terry." Terry is a patient who represents all victims of the illness under study, at St. Jude's. This is for 3rd graders and up. Anyone over 18 may also, be welcome. So find a sponsor or two or as many as you feel you can get. And ask them if they will Pledge a contribution for each mile you will ride. If anyone has not been asked to sponsor a rider you can make a contribution if you wish. You can contact Mrs. Lou Besonen at 348-8922 or Mrs. Lois Mertes at 348-9744. Sponsor forms can be obtained at the Frederic Library or Cooper's Party Store. Come out if you can and have fun doing for others. Refreshments will be served for the riders. Cash prizes for the Top Riders which is contributed from The Frederic Hobby Club.

The Ladies Lovells Home Extension Club entertain with a bingo games at Timberview Village and for those at Village Manor, for the ladies and gents that reside there. A most enjoy afternoon was had by all. A mini quilt made by the ladies Lovell Ladies Club was won by Clarence Harrington for a cover all. This will be a monthly event, every 3rd Friday. They are still talking about the day. Thank you ladies.

Editor's Mailbox

Dear Editor:
I was one of many citizens who attended the school board meeting of Sept. 10th. I listened to the discussions of the Booster Club's offer to donate \$20,000.00 for the schools' sports program and to the board's decision to tentatively accept their offer after much deliberation.

I think it's wonderful for a club to donate that kind of money to our school and must give them credit for doing so. But on the other hand I also must say that I don't approve of this money being used for sports. Please don't misunderstand me. I'm not condemning the Booster Club in any way. I'm sure they wanted to provide and do their part in helping our young people.

When I see our Frederic school closed, teachers being laid off, children being in overcrowded buses, not to mention the overcrowded classrooms, I can only feel confused and bewildered. I know sports are important and an asset to every school and the community. But when it comes down to an education or playing games I feel our children's education should come first.

Oh, how I would have stood up and cheered for them if they had used this money to reopen the libraries, or perhaps to have hired another teacher or to have maintained another bus. But I guess that is only a dream on my part as the majority of the people at the meeting were for sports instead.

I also want to say how much I respect and applaud Mrs. Dosch for her "No" vote. It took a lot of courage on her part against so overwhelming odds.

Sincerely,
Ann Denno

School News

Some kids, before they come to school, don't like it. And other kids, like myself, like school. And some kids think it's okay. The day before school you should still play, not just droop around. You should also prepare for school. Get the things you need to start with. The night before school some kids can't sleep, others can. In your first morning of school, you probably will take cold lunch unless you know that there is hot lunch. Now you are probably ready for school. You hop on the bus and off you go. Good luck. Written by Jim Watkins

The fifth grade in the Grayling Elementary School has been very busy. Mr. Hawkins and his classroom have been making maps for their parents to see on Monday. Mr. Brigham and his class are making flags and calendars. They probably made the flags for a symbol of our country. Mrs. Bovee and her classroom made little paper boxes to show their parents. Then Mrs. Prause and her class are learning sign language this week. Their class is probably having lots of fun. Written by Amy LaGrow.

The first day of school I was very nervous, my knees were shaking. I was scared because I didn't know anybody. I wasn't with any of my friends. I didn't know where my classroom was. I didn't know my teacher. When I got on the bus I wasn't scared because a lot

Laura Johnston, 81 years young, walked the "Big Mac" Bridge, Labor Day September 7, 1981. This was the 3rd year in a row for Laura, this year was more fun, as she had the company of 5 of her 7 children walking with her. Leon Johnston and daughter Jackie, (three generations), Chet Johnston, Keith Johnston, Loretta (Johnston) Tobin and husband Bill, and Evelyn (Johnston) Drielick kept her company throughout the 5 mile walk. Of course, we must note that Leon's wife Betty, and Chet's wife Shirley, were very instrumental in the overall 90 mile trip as they "found" a very fine parking spot near the finish line and Shirley did all the driving, to and from Grayling. Our hats off to Laura Johnston.

4-H Growing in Crawford County

By Sue Louchart

Now is the time to begin thinking 4-H. And we have the club that is just right for you!

Crawford County young people like 4-H because it allows them to learn new skills and have fun at the same time. They have an opportunity to get together with others at meetings, activities, tours, trips and fairs. They also get a chance to do interesting, constructive things like learning to cook, building rockets, raising and caring for animals, developing ideas and skills through arts and crafts, self improvement in grooming and self esteem in recreational activities. 4-Hers can even design their own projects to meet their own particular needs and interests.

At this time there are nineteen clubs being offered to the youth of Crawford County. Anyone can join one or more of the following:

Performing Arts: For the young 4-H'er ages 8 thru 13. Singing, dance routine, skits and performances. If you like to sing or have that little bit of ham in you then here is a club for you.

Performing Arts: This Club is for the older youth, ages 13 and up. This is a 4 county Club which meets on Saturday in either Crawford, Gladwin, Clare or Roscommon County with resource people in a variety of performing arts from the dance (tap, musical comedy, jazz, ballet) and drama (mime, make-up, stage movement, diction, etc.) and vocal music. From this club you would be able to tryout for the State 4-H performing Arts Troupe who travel all over Michigan and surrounding states.

Leader Dog: Want to help the blind and be in a 4-H club too? This club raises dogs, generously donated by the Grayling Lions Club to be leader dogs for the blind. You keep the dog at your home, meet with the club once a week and learn how to raise and train the dog to

lead the blind. Once the dog is a year old the dogs are taken to Rochester, Michigan for a series of tests to see if they are able to receive their final training and placement with a blind person. So far all the Dogs from the Grayling 4-H Club have passed with flying colors. Open to all ages. Only a few more dogs available so if you are interested call 348-5123 now.

Cooking: Have you wanted to learn how to cook but Mom won't let you use her kitchen? Well, this club will give you the chance to learn the basics of cooking and about foods in general. Lots of fun making things and eating your own cooking too.

Needlecraft: Any projects which involve the use of a needle or hook can be learned in this club. Embroidery, crewel, counted cross stitch, crocheting, knitting, looms, latch hook and etc. If you have a project you have wanted to do but need help with it, this is a club for you.

Small Farm Animals: Want to raise your own rabbit or maybe learn the inside and outs of raising chickens? Fantastic club with alot of 4-H involvement. Leader prefers you raise your animal or fowl at home, but will keep it at her home if necessary. **Cake Decorating/Indoor Gardening:** A little combination of both, or maybe only one of the two if that is your interest. Make Beautiful cakes or maybe you prefer to learn how to grow flowers vegetables or herbs right in your own home during the long winter months.

Horse: Like taking your horse on trail rides, to shows and maybe even rodeos? Here is the club. Leaders teach everything from raising, grooming, feeding and breeding to riding but you have to furnish the horse.

Rockets: Model rockets...build them, paint them and launch them. A lot of fun with aerodynamics. Open to all ages.

Trail Bikes: New club, not sure when it will be starting, but if you like to ride the bikes, learn to care for and maintain them; if you would like to go on trail rides, cross country rides and have contests then call the 4-H Office at 348-5123 now so we can know how many youth would be interested in this type of club.

Personal Grooming: Modeling and makeup as well as personal grooming, cooking, sewing, personal budgeting and much more is being learned in this growing club. This club is helping the young people acquire the life skills which is one of the goals of the 4-H program.

Choir: Sing! Sing! Sing! Calling all boys and girls who like to sing. If singing is

more to your liking a Youth Community Choir is started for 8-12 year olds.

Clowning: Do you like to "clown around"? Learn the art of make-up acting like a clown, how to put on a happy face, be a white face clown or a hobo clown. When the members have had some practice in the club they will then visit the schools, churches, and other organizations in the community to perform.

Swimming: The 4-H swimming program has been super and the leaders have taught preschoolers and up the skills they have need of in the water for fun and safety.

Dog Grooming and Pet Care: Proper care of your pet is always important to learn about. The care and feeding of pets make for happy animals and owners.

Challenge: Only taking five older teens (ages 15 and up) so hurry and sign up. This club is all facets of outdoor survival from mountain climbing, caving and indian skills to canoeing and back-packing. The leader is a certified Challenge instructor who has been thru the experiences himself.

Woodworking: Master all the small tools from saws to hammers and screwdrivers. Build your own bird house, stool and etc. Open to all ages from 10 up but 8 and 9 year olds will be considered based on their background knowledge.

Bowling: If you would like to bowl the bowling is done together with the Youth Bowling Association. Call JoAnn Yoder at 348-7053 for all the details.

The 4-H program needs more leaders. Won't you consider helping the youth? Perhaps your interest is in snowmobiles. Youth need to learn the right and wrong way to ride, how to care for the machine and you could help them learn and learn with them.

Maybe your interest is in Trail Bikes. We have a large number of youth interested in this Club. Do you have some time to spend with them?

Are you interested in your ancestry or in the history of our community? Old time remedies, old traditions? Then, what we call Folk patterns is the club for you to have. Help children learn their backgrounds and the way life was way back when. 4-H can provide the many resources and help you start the club.

Perhaps you have an interest not mentioned. Call the 4-H Office at 348-5123. If you are willing to be a leader, we will find the resources for you in any area or project. Leaders are not expected to know everything about the project they choose, just an interest in youth and be willing to learn right along with them.

Dixieland Band at Kirtland Sat., Sept. 26

Kirtland Community College will kick off Entertainment 81-82 with a return of the popular New Reformation Dixieland Band, with the Opperman Brothers! The band will perform in Kirtland's auditorium on Saturday, September 26, 1981 at 8:00 p.m.

The group, which was organized in Saginaw 11 years ago, consists of seven talented and humorous musicians lead by Dave and Nick Opperman. Although based in Saginaw, they have had national exposure and acclaim, performing with such jazz artists as Woody Herman, Count Basie and Duke Ellington. The band has also appeared on television in Chicago, Indianapolis, Louisville, and in Michigan for a half-hour special on WCMU-TV.

Tickets for the concert are \$4.00, and \$3.00 for Senior Citizens and students. They may be purchased at the Kirtland Community College bookstore and library, or at the door. Tickets are also available at Roscommon Hardware and Gifts, the Houghton Lake Chamber of Commerce, the Dress-makers Shop of Mio, Gould Rexall Drugs of West Branch, and the Grayling Holiday Inn sales office. For further information, call 275-5121.

Cancer Society Meets

Officers of the Crawford County Unit of the American Cancer Society met Sept. 14 at the Grayling State Bank. The crusade goal for next year was discussed, and Valerie Lehti, Crusade chairman, was commended for the successful campaign held this year. The Great American Smoke Out coming up Nov. 19 was also discussed. Officers were unanimously re-elected for the coming year.

"Seasonal Samplings" cookbooks are available at Cook's Cottage. They make great gifts.

ROSCOMMON STATE BANK

- We are happy to announce that beginning October 1, 1981, we will offer the new one-year tax-exempt **ALL SAVERS CERTIFICATE**. And...deposits currently in **MONEY MARKET FUNDS** on deposit at Roscommon State Bank can be converted to the new **ALL SAVERS CERTIFICATE** without an interest penalty.
- The rate you will receive on the new **ALL SAVERS CERTIFICATE** will be slightly lower than the **MONEY MARKET CERTIFICATE** rate, but because it is tax-exempt, the yield can be greater.
- The new one-year single-maturity **ALL SAVERS CERTIFICATE** from Roscommon State Bank will allow you to earn up to \$1,000 tax-exempt interest on individual tax returns or \$2,000 on joint returns. The tax exemption is a once-in-a-lifetime exclusion.
- To earn \$1,000 of tax-exempt interest at 12.61%*, an individual would need a deposit of \$7,930.22.
- To earn \$2,000 of tax-exempt interest at 12.61%*, a couple filing a joint return would need a deposit of \$15,860.43.
- Rates on the new **ALL SAVERS CERTIFICATE** is based on 70% of the yield on U.S. Treasury Bills. The minimum deposit into an **ALL SAVERS CERTIFICATE** is \$500.
- Your original investment and the earned interest is paid on these certificates one year from date of deposit. Alternative interest payment plans can be discussed with a Roscommon State Bank customer service representative.
- Since each individual situation could be different, it may be to your advantage to consult with your tax accountant to determine whether these certificates fit your needs.
- The **ALL SAVERS CERTIFICATE** you purchase is insured by the Federal Deposit Insurance Corporation (FDIC) and will be subject to federal regulations and applicable penalties for premature withdrawals.
- **ALL SAVERS CERTIFICATES** will be available at all Roscommon State Bank offices.

*The rate as indicated above will be available on Thursday, October 1, and Friday, October 2, 1981, only. A new rate will become available on Monday, October 5, 1981. Your interest rate is guaranteed to maturity which is one year from date of purchase. Accounts may be established anytime from October 1, 1981 through December 31, 1982 inclusive.

Motion by Sabin, supported by Latuszek that the minutes of the meeting of August 31, 1981 be approved as presented. Ayes: 4; Nays: 0; Absent: 1, motion carried.

There were no citizens who wished to speak.

Communications were received and noted.

From Grayling Beautification Committee re: Minutes.

From City Treasurer re: Monthly Financial Statement.

From Economic Development Committee re: Notice of Hearing.

Mr. Golinick was now present.

Old Business.

The City Manager reported on progress of the 1981 Street Construction and presented an engineering invoice from R.S. Scott & Assoc. for work done thru 8-29-81 in the amount of \$12,889.50. He recommended payment of the invoice.

Motion by Failing, supported by Thompson that the invoice from R.S. Scott & Assoc. for \$12,889.50 be paid. Ayes: 4; Nays: 0; Abstain: 1 (Sabin), motion carried.

A report on the Grayling Recreation Authority was given by Mr. Marty VanDeVen, Board Chairman. He stated that the Authority is in a serious financial condition. The amount owed to Michigan Con Gas Co. is \$2,807.73, plus current billings, which must be paid. He asked for financial assistance from the City of Grayling in this matter. They plan on using wood for a majority of the heat this coming winter. Council will consider the matter and decide at the October 12, 1981 meeting on a course of action.

New Business.

Bids for a proposed 10" water main extension in the Industrial Park area were received as follows:

(1) M.J. Cataldo - Flint	\$31,698.00
(2) M & M Excavating - Gaylord	\$35,838.00
(3) Gene Kerby Const. - Beulah	\$36,096.00
(4) Robinson Const., Inc. - Gaylord	\$36,337.71
(5) Earl Davidson Const. - Alma	\$37,342.56
(6) McNeilly & Son - Farwell	\$38,637.00
(7) H & W Construction - Marshall	\$38,288.23
(8) C-Land Excavating - Traverse City	\$40,935.88
(9) Al Fire Protection - Clio	\$43,893.50
(10) D & L Contracting - Traverse City	\$44,750.00

The Engineer and City Manager recommended that the bids be turned over to the engineers for analysis and report of recommended action at the Council meeting scheduled for 9-28-81 with probable award of a contract at that meeting. Council concurred in this recommendation.

Discussion of Cable T.V. rates took place. Mr. George Baldwin appeared to explain his letter requesting permission to raise rates 10% in 1982, 6% in 1983 and 6% in 1984. This would allow him to add 4 new channels and remove 2 channels. This would be a net gain of 2 additional channels. Council will render their decision on or before their meeting of October 12, 1981.

The City Manager presented per diem expense vouchers for Mayor Thompson and Mr. Golinick to attend the M.M.L. Annual Conference.

Motion by Latuszek, supported by Failing that the expense vouchers for Mayor Thompson and Mr. Golinick be approved. Ayes: 5; Nays: 0, motion carried.

Reports of Councilmen.

Mr. Golinick reported on a meeting with various officials re: fire protection at the Weyerhaeuser Plant. Decision was made to have the plant officials work with Beaver Creek Township and contact the City and Grayling Township when Beaver Creek Township and the plant officials have identified their needs and desires.

Mr. Golinick commented on the recent M.M.L. Conference and reported that he felt that this was one of the best.

Reports of City Manager. Mr. Morford reported on the following:

Health of a city employee.
City Election 11-3-81.
Cemetery rates - confirmation by Grayling Township.
Invoice for lowering a sewer on Chestnut Street.
Letter from Mr. Nelson Miles.
Housing Commission Meeting 9-8-81.
Payments made to consulting engineers for past several years.

Adjournment.

Motion by Golinick, supported by Thompson that the meeting be adjourned. Ayes: 5; Nays: 0, motion carried. The meeting was adjourned at 8:55 p.m.

A Talk With God

This is a very special moment in Kenny's day. He is about to have his talk with God.

Kenny has these talks with God every day. He knows they are important . . . to God as well as Kenny.

Have there been any very special moments in your day lately? Have you thought about having a talk with God?

It was Jesus who pointed to a child's humble faith as an example for all Christians.

Learn how important a talk with God is to you Both. Make prayer a vital part of every day.

Kenny has!

The Crucial Alternatives

Equity & Equality or Social & Political Revolution

We live in an age of social and political revolution. This of course is not anything new to the human family. It has been going on since the beginning of conscious human experience. We do not have records to confirm it; but I assume that inequality and inequity have existed since the dawn of history.

Today in almost every

part of the world there is social unrest or open revolution due to inequity and inequality. Education, communication, political freedom, travel and trade open the door to more of the same. The Common People are on the march and will not rest until equality in race and class are realized and fair equity is achieved for their labor and contribution to society.

People at the top spending millions on spectacle and frivolities will not always be tolerated. Today people see how the other half lives day by day they are becoming aware of the wide gulf between the rich and the poor. They are aware of the inequities and inequalities they suffer. This opens the door to any ideology that offers help. If the freedom loving countries remain blind to this tremendous movement unrest and revolution will continue in the developing countries. Education, information and a growing spirit of compassion fostered by the Church will continue to accelerate this movement.

This is one of the most meaningful movements afoot in our world today. It is making strong impact on our own society. Too ignore it is the sheerest folly. Couple this movement with a christian philosophy and democratic freedom and you have a good ground work for a creative and constructive civilization. Concerned people in many parts of the world welcome it with open arms.

St. Jude Bike-A-Thon at Frederic

Frederic area riders for the St. Jude Children's Research Hospital, Wheels for Life Bike-A-Thon, are now asking Frederic citizens to back their efforts by pledging a contribution for each mile they ride.

"The money our riders earn will help continue St. Jude's life-saving study of childhood cancer that has become so important to children all over the world. We'll be showing that we care about children by helping this cause. Please support your rider with a generous pledge and help them get the funds to us as soon as the ride is over," says Bike-a-thon chairman Lou Besonen.

"We'll be giving them a hospital bracelet saying 'I'm riding for Terry' to wear during the ride". Terry is a patient who represents all victims of the illness under study at St. Jude Children's Research Hospital.

The ride starts at Frederic Elementary School Playground on Saturday, September 26, 1981 (Rain date Oct. 3rd) at 10:00 a.m.

If you have not been asked to sponsor a rider or if you wish to make a contribution please call either Mrs. Lou Besonen at 348-8922 or Mrs. Lois Mertes at 348-9744. Sponsor forms can be obtained at the Frederic Library or Cooper's Party Store in Frederic. We need your help.
